

**Title:** Financial Management Consultant

**Location:** Edina, MN and St. Louis, MO

**Position Overview:**

eCapital Advisors is a management consulting firm experienced in leading mid-market and Fortune 500 companies to higher levels of performance. We help companies define, plan, design and successfully integrate the world's premier business performance technologies with processes at every level of the enterprise. We partner with Cognos, an IBM Company, Hyperion, an Oracle Company and Microsoft to offer enterprise performance planning and business intelligence software to aide in budgeting, forecasting, and overall business performance management. This opportunity is for a financial management consultant working primarily in the upper Midwest.

**Responsibilities:**

- Develop project plans and provide project management leadership.
- Participate in the development of the financial system design specifications.
- Work with the finance department to build financial model(s).
- Identify the interfaces with existing G/L, ERP, and other source systems.
- Train the financial team on the use of the system.
- Provide the appropriate user and technical documentation.
- Assist with sales opportunities by building "proof of concept" solutions.

**Qualifications:**

- Bachelor's degree, preferably in MIS, Accounting and/or Finance. MBA and CPA are a plus.
- 3-5 years experience as a consultant, system engineer or in a finance department.
- Proven leadership and communication skills with the ability to work effectively in a team environment.
- Working knowledge of Microsoft Office Systems, G/L, ERP, SQL and OLAP systems.
- Experience with Cognos, Hyperion, Business Objects, FRx or other Performance Management solutions are a plus.
