## **Analytics leader, eCapital Advisors, expands to Denver** *Permanent Denver presence is in response to the region's demand for Advanced Analytics solutions and services to fuel growth and profitability*

**Minneapolis, Minnesota, USA, October 9, 2017**, eCapital Advisors LLC, one of the nation's largest business analytics and technology focused consultancies has announced an expansion into Denver. The placement of a permanent team in the area will allow the company to better meet the demand from area organizations working with eCapital on their analytics and big data initiatives. eCapital's Denver presence will be led by Carolyn Faeth, eCapital's [recently announced](#) Director of Strategic Services.

Today's leading companies are increasingly looking for ways to gather insights from their data to improve their decisioning and to improve their profitability. eCapital has helped hundreds of Fortune 1000 organizations meet their strategic business objectives with services including:

- Process Optimization
- Technology Integration
- Multi-Product Engagements
- Organizational Assessments
- Project Leadership
- Financial Consolidation/Close
- Client Relations
- Strategic Road Maps
- Strategic Vision
- Oracle EPM Solutions
- Financial Plans & Reporting

Faeth will also be leading eCapital's Advisory Services practice out of Denver. eCapital develops solutions for organizations across the globe. In the US, the company has locations in 14 states.

### **eCapital Advisory Services**

Working with large-sized and Fortune 500 clients, eCapital's Advisory Services practice provides executive management with comprehensive cross-platform services including strategic council on business intelligence initiatives, operational effectiveness, analytics needs assessments, proposal development, solution architecture, forecasting and planning.

eCapital also offers end to end technology advisory and consulting and business transformation services with specialized teams offering deep expertise across industries and leveraging the industries most advanced analytics platforms and solutions.

### **About eCapital Advisors™ LLC**

eCapital Advisors is one of the nation's largest performance management and business analytics firms. Since 2001, eCapital has enabled clients including General Mills, Post Cereals, Children's Hospitals, Ecolab, Anheuser-Busch, Northwestern University and hundreds of others to make better business decisions through their high level software solutions and services. The company has been frequently recognized with numerous awards including *Inc.* magazine's 5000 fastest growing companies. eCapital Advisors is privately held and headquartered in Minneapolis, Minnesota.
